Mon	**Use expanded multiplication method**	Listen to the input on Microsoft Teams at 11am (you will receive a link in an email) or read through the maths slides for Monday (found on the website). Today you will focus on using the **expanded method** for multiplication (this will be covered in the live lesson). There is also a guide to this method on the slides for this week, or here is a video that lays it out step-by-step https://www.youtube.com/watch?v=czQsdeEi8gE There are bronze, silver and gold questions on the maths slides.
Tues	**Use compact multiplication method**	Listen to the input on Microsoft Teams at 11am (you will receive a link in an email) or read through the maths slides for Tuesday (found on the website). Today you will focus on using the **compact method** for multiplication (this will be covered in the live lesson). There is also a guide to this method on the slides for this week, or here is a video that lays it out step-by-step https://www.youtube.com/watch?v=4ihbVT11xmU There are bronze, silver and gold questions on the maths slides.
Weds	**Use compact multiplication method**	Listen to the input on Microsoft Teams at 11am (you will receive a link in an email) or read through the maths slides for Wednesday (found on the website). Today you will practice and perfect the compact (short) method for multiplication using increasingly larger numbers (multiplying 4 and 5 digit numbers by 1 digit numbers). There are bronze, silver and gold questions on the maths slides.
Thurs	**Solve problems using compact multiplication method**	Listen to the input on Microsoft Teams at 11am (you will receive a link in an email) or read through the maths slides for Thursday (found on the website). Today you will apply your knowledge of the compact (short) method for multiplication to some 'missing number' problems.

	Practise times tables	Today we would like you to choose a times-table to practise. Try counting up and down in the times table. Can you count up and down only saying the odd (2x, 4x etc.) then even (1x, 3x, etc) times tables? See what score you can get on Hit the Button with your chosen times table: https://www.topmarks.co.uk/maths-games/hit-the-button Try the times tables 'diploma' program on www.timestables.co.uk Challenge yourself with a 144 challenge! (Found in the resources section on the website)
