

# Spring Week 1 Reading Activities (Year 5)

Read the explanation text about Fossils and have a go at the activities below:

Can you identify which tense the text is written in? What words show you the tense?

Can you find any **technical vocabulary**? Can you try and use each of the words in a sentence?

Complete the **comprehension questions** that are with the text

Make a list of nouns, verbs and adjectives that you can find in the text. Try and find at least 5 of each.

Using your list of verbs and adjectives, can you think of synonyms for these words? For example:

Big – Massive

Hot – Sweltering
