

- Please make sure that your children read their Little Wandle reading book with you at home. Please can the children bring their reading folder with the Little Wandle book inside back on a Wednesday, along with their reading diaries. It is so important for the children to read regularly at home.
- Phonics homework is given out weekly.
- Maths homework- Please continue to use Numbots weekly, encouraging your child to complete at least 30 minutes over the week.

### Maths

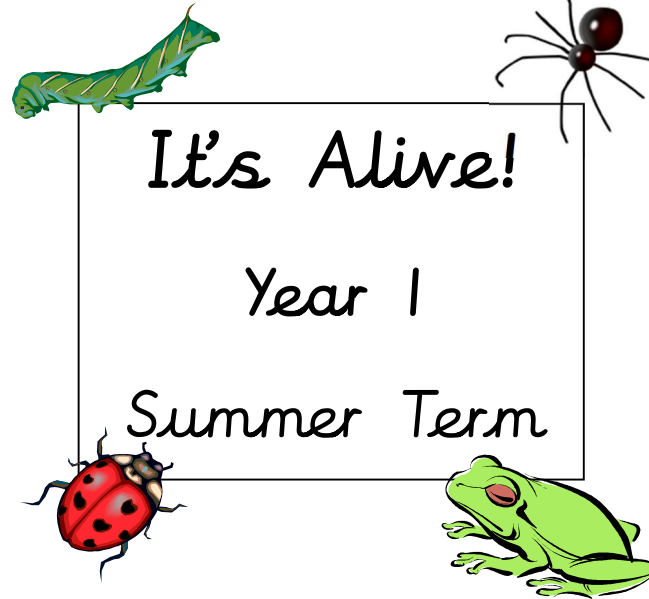

- Place Value to 50 and 100.
- Addition and Subtraction within 50 and 100.
- Money, time, days of the week, months of the year and direction
- Simple fractions-  $\frac{1}{2}$  and  $\frac{1}{4}$
- Multiplication and division linked to counting in 2s, 5s and 10s.

### Science

Plants and the conditions needed for plants to grow. Children will carry out a small investigation evaluating the best places for plants to grow. Learning to label different parts of plants using language such as stem, root, petal and leaf. We will also be learning about healthy lifestyles.

### History

We will be looking at the timeline of dinosaurs. We will learn about famous palaeontologists and the work they carry out.

### Handwriting

We will continue to complete daily handwriting sessions as part of our English lessons.

### RE

Summer 1 - Christianity: Celebrations  
Summer 2 - Judaism: Prayer and Worship

### Computing

iPads - Digital Literacy skills

### English

During the Summer term, we will be looking at the story of 'The Very Hungry Caterpillar' and 'Katie and the Dinosaurs' and using these to continue working on our sentence writing skills.

We will spend time focusing on non-fiction texts and diagrams to record the lifecycle of frogs and butterflies.

We will also create a non-chronological report on 'How to catch a T-REX!'.

### Art/ Design Technology

We will be looking at the artist 'Henri Matisse' as our Artist study. We will create our own art based on his ideas using different techniques.

### Geography

We will look at where different insect species come from and the different habitats that we can find them.

### PSHCE

The importance of friendship.
