Push and pull

Pushes and pulls are forces. You can make something start or stop moving when you push or pull it.

Task 1:

Draw pictures or take photos of different items around the house that use the push or pull force.

For example:

Task 2:

Activity

Below are some pictures of children using pushing and pulling forces. Write down *push* or *pull* in the force box. Does the force cause something to start or stop moving? In the second box write *start* or *stop*.
