# Make strong passwords.

Craft powerful passwords together.

(Children should use scissors under the direct supervision of an adult.)

1. You'll need: old newspapers or magazines and a pair of scissors.

2. Think of a phrase or a few words: make them memorable, but don't use personal information, such as names or birthdays. Make it at least 8 characters.

3. Cut out letters, numbers and symbols to spell out a password. Remember to use a mix of uppercase and lowercase letters.

4. R3pl@ce le++ers wit# sYmb0ls & n^mb3rs 1ike Thi\$.
