Dear Parents/Carers,

As a school we are very keen to work with parents to support our children's learning. One area that we have identified where this could be particularly effective is in our teaching of spellings.

We would therefore like to invite you to our Spelling Workshop taking place on Tuesday 6th November at 9.00am in the Main Hall. The workshop will last about 20 minutes.

During the workshop, we will discuss how we teach spellings in school and how best you can continue to support your child at home. We will also answer any questions you may have regarding spellings. **Additionally we will be launching our new spelling booklets which have been created for children in Years 1 and 2.** These booklets will be available for you to look at and we will explain how they will be used.

If you would like to attend the Spelling workshop please complete the slip below and return it to the school. Refreshments will be available and if possible we ask that younger siblings are not brought into school on this occasion.

We look forwards to welcoming you to this workshop.

Yours sincerely

Miss Lay
