8th October 2018

Dear Parents/Carers,

As a school we are very keen to work with parents to support our children in using the internet safely as devices become more and more accessible.

We would therefore like to invite you to an on-line safety workshop taking place in our school on Friday 12th October. The workshop is being run by the NSPCC and will last about an hour. It will provide a fantastic opportunity for you to understand the sorts of Apps and on-line gaming platforms your child may be accessing. Refreshments will be available.

Free Online Safety Workshop for parents/carers, supported by Tim Loughton, MP

We want to help every family in the UK talk about and understand their children's online world and help keep them safe.

Please come along to a workshop:

Friday 12th October 2018

9.15-10.15am

Eastbrook Primary School

The workshop is delivered by a trained NSPCC member of staff and free resources will be given to parents/carers to take away with them.

We have been asking people to contact the school office if they can attend in order to give us approximate numbers but please feel free to turn up on the day.

We look forwards to welcoming you to this workshop.

Yours sincerely

Julia Sherlock
Headteacher
