Year 3 and Y4: Sex and Relationship Education

Dear Parents and Carers

We will shortly be teaching a short sequence of lessons entitled 'Differences'. The children will be learning about the physical differences between boys and girls.

Children will, of course, have the opportunity to ask lots of questions in these lessons and we also encourage parents to talk with their children at home about their learning.

In advance of these lessons, we are holding a session after school where parents can find out about the coverage of the lessons based on differences. This will be on Tuesday 2nd July in Mrs Sutcliff's room at 3.15pm.

If your child needs to accompany you at this time, provision will be made for them in another classroom.

Thank you for your support.
