

We are excited to announce that we will be hosting a 'To Infinity and Beyond' Space Wow Day for the children on Friday 11th March. The children will take part in a variety of activities from our curriculum to include Design and Technology, Literacy, Maths, Art and more! We will be having a creative day taking part in lots of activities, including looking at the Mars Rovers and their ongoing missions, creating collages and investigating rocket design!

The children are invited to come to school dressed in outfits appropriate to the topic - for example, an astronaut, a star, an alien, a planet etc (but must be suitable to wear all day!). This is not compulsory, but it would be an excellent addition to the enjoyment of the day. Please do not go to expense with your costumes though :)

If you have any further questions, please do not hesitate to get in contact with the class teachers.

Thank you for your continued support,  
The Year 3 Team
